

...MEETING INVITATION...

Who: Wichita Chapter ASIS International
What: Membership Meeting
When: Thursday, July 08, 2010; 11:30am
Where: Southwestern College – School of Professional Studies
2040 S. Rock Road, Wichita, KS 67207

Program:

Dr. Ou, IT Department, Kansas State University, will be our featured speaker. He will speak about Internet Security evolution in current business and personal applications. Dr. Ou's bio should be available soon, and I will publish it to this list when available.

Who is Invited:

YOU are invited; and please feel free to bring a guest.

Lunch:

Because there is no on-site food facility at our meeting location, we will be catering lunch. Our caterer once again is Prairie Fire BBQ (you may remember them from our March meeting). Lunch is offered for \$10 per person and will be served buffet style.

Participation in the BBQ lunch is not a requirement. You may choose to bring your own bag lunch, or perhaps not to eat at all. But if you do wish to participate in the catered BBQ lunch, we MUST have your RSVP no later than 12 noon, Tuesday, July 06, 2010. RSVP back to this email address (wmarkley@sbcglobal.net), or telephone me at 316-265-1831. Please do not send money; our treasurer will collect for lunch at the door.

This should be an excellent program and an outstanding lunch. Please plan to attend and spend some quality networking time with colleagues in our continually developing security field.
